What Can YOU Do To Improve Our Community?

- Make sure you are **registered** or pre-registered to **VOTE!** There is an annual town meeting taking place on May 6th and town election on May 9th. (Absentee voting begins April 12th!)
- **Create conversations** with your friends, family, and neighbors about the importance of issues you learned today at the fair.
- **Become more civically engaged** by volunteering for political campaigns, advocacy groups, and candidates. Contact your local politicians to ask questions and hold them accountable for their decisions.
- **Be aware and supportive of human rights and diversity.** Do not just tolerate our differences, but EMBRACE them! Remember MLK said, "Injustice anywhere is a threat to justice everywhere."
- If you are a student, **join a club** like the ones at the fair and **become more involved** with their various activities and projects.
- If you are an adult, **support the work made by local students** and contribute in any way possible. If you attended the fair, you have already done so!

Tears can't stop the fires in California

Pine trees dripping with rain from her eyes
mama I never meant to hurt you
Mars and Saturn and Jupiter are barren
And soon that will be her, our earth, too

mama of mine, ultimate divine
your creatures all grow together
mama of mine, I've been unkind
I've caused this warming weather

and the acid falls in droplets
And it crashes through her ground
To her molten magma core
Where it mixes all around

And it must sting
It must singe
It must break her very heart
Mama mama mama
you were here before my start

So please don't go
